

Too Much Caffeine? Not Enough Writing?

Facing procrastination, isolation and desperation?

Join the Academic Ladder *Online* Writing Club for graduate students and professors, and become a productive, scholarly writer!

Join hundreds of other academics worldwide who have found that:

- You write more when you're accountable.
- You write better when you write daily.
- It helps to interact with others about your writing process.
- You CAN finish your dissertation or publication!

"Thank you so much, 1000 times over, for helping me through this rough spot. This has been a great experience." -- ABD Graduate Student, March Writing Club

"I have more direction now in my dissertation and this feels fantastic!!!!!" -- Graduate Student, Winter Writing Club

"I'm loving this writing group. Since I work mostly at home [during the summer] it's nice to have contact with and support from other people. Thanks!" --Professor, May Writing Club
