

Help Me Design a Teleclass for Graduate Students, Post-Docs or Professors!

This is your chance to help me design a teleclass that will meet the needs of new or ABD graduate students, post-docs, or junior professors. Maybe even you!

What Kind of Teleclass Would Interest You? I am constantly designing new teleclasses or a teleclass series for graduate students and professors. Please help me by telling me what kinds of subjects would help you now, or which subjects would have helped you when you were in that stage (e.g. the proposal, which you may now have finished.) Feel free to give one-word answers or leave questions blank. You are not required to enter your name or email, but feel free to do so if you'd like

Less True - 1 2 3 4 5 - More True I need help in getting feedback from peers about my dissertation. Less True - 1 2 3 4 5 - More True I need help in being able to write on a regular basis. Less True - 1 2 3 4 5 - More True I could use some help in deciding what career I really want. Less True - 1 2 3 4 5 - More True I need suggestions in how not to procrastinate. Less True - 1 2 3 4 5 - More True Being able to have discussions with other teleclass participants would be important to me. Less True - 1 2 3 4 5 - More True I would welcome a class that gave a weekly assignment that would help me write regularly. Less True - 1 2 3 4 5 - More True I'd rather just be given the facts, with little discussion. Less True - 1 2 3 4 5 - More True I'd like the opportunity to talk about difficulties I'm having with the dissertation in the class. Less True - 1 2 3 4 5 - More True I need writing tips and techniques. Less True - 1 2 3 4 5 - More True I could use some help dealing with difficult people.
